BROW TINTING

2500

Want thicker and fuller brows? Try Brow Tinting at The White Door. This simple technique uses a semi-permanent dye that instantly gives you thicker yet natural-looking brows. The results last between six to eight weeks.

BROW LAMINATION

5000

Attain the appearance of fuller, slicked-back brows with this semi-permanent treatment that gives you a lifted and sleeker look for weeks.

LASH LIFTING

7500

Nine out of ten women have their lashes grow outward instead of upward. Combat this by treating your natural lashes to a perm that will help improve their appearance visually. Complete the ritual with tinting using the right hue, bid your mascara goodbye & reveal a near perfect set of lashes.

LASH EXTENSIONS

The easiest way to feel glamorous 24/7. Bid adieu to your mascara as our lash extensions help you create the look you want, with thicker, fuller and natural looking lashes. Opt for TWD's bespoke faux mink extensions that are soft, light and applied carefully by our in-house experts based on the shape of your eye.
